Effective July 15, 2023

URGENTLY UNNECESSARY NOTICE

This initiative is legally effective on July 15, 2023, except on Tuesdays, during rainbows, or when a banana is already behaving responsibly. Nothing in this document shall be interpreted as common sense unless stamped by the Subcommittee on Slippage.

1. Purpose

The Department of Peel Safety establishes the Banana Peel Safety Initiative to reduce uncontrolled fruit-based floor incidents, improve citizen confidence around snack disposal, and remind residents that gravity has not been repealed.

2. Definitions

Term	Official Meaning
Peel	A flexible yellow hazard with comedic intent.
Slip Zone	Any area within 7 feet of a banana, 14 feet of a banana cartoon, or 30 feet of a person saying "watch this."
Responsible Banana	A banana that has completed orientation and is not leaning suspiciously.
Emergency Smoothness	A condition declared when the floor becomes too shiny to trust.

3. Mandatory Peel Handling Protocol

- All peels must be placed curved-side down unless the peel is being dramatic.
- Citizens shall announce "peel incoming" in a calm indoor voice before transporting more than one banana.
- Any peel found loitering in a hallway must be offered counseling, compost, or a tiny reflective vest.
- No peel may be used as a prank, obstacle, bookmark, credential, ceremonial sash, or substitute brake pad.

4. Approved Signage

The following signs are approved for municipal deployment: CAUTION: FLOOR HAS IDEAS; WARNING: COMEDY PHYSICS ACTIVE; and THIS PEEL HAS NOT BEEN CLEARED BY LEGAL.

APPROVED BY THE TEMPORARY ACTING ASSISTANT DEPUTY BANANA

5. Enforcement Schedule

Violation	Penalty
First offense	The peel receives a stern glance and a laminated pamphlet.
Second offense	Mandatory attendance at a 4-minute webinar titled "So You Thought You Were a Rug."
Third offense	Referral to the Bureau of Permits and Proclamations for paperwork no one requested.
Aggravated Loitering	Immediate relocation to compost with full honors.

6. Citizen Self-Certification

By reading this sentence, the citizen affirms that they are aware bananas are curved, floors are down, and velocity is a lifestyle choice. The Department accepts no responsibility for citizens who attempt to peel while sprinting.

Appendix A: Official Peel Safety Chant

Peel on the left, peel on the right, step like a grownup and everything is bright.

7. Sunset Clause

This initiative expires when all peels learn to file travel plans or when the moon is replaced by a citrus fruit, whichever occurs first.
